London-UK, 6th – 9th April 2011

Name, Vorname **Gräble, Isabella**

Date	Topic	Methods
Wednesday, 6 th April	⇒ Dinner to become acquainted with each other. Regrettably, we were unable to take part, because our airplane arrived after the meeting on this evening.	

Thursday, 7 th April	⇒ Learning Blocks, Input Brian DeLord (PPP) We had an input about learning blocks and their denotation for the learner. It is a very individual denotation for the learner and it is important to reflect about the own way of experience with learning. To know which type of learner one to be and which problems come with this type, helps in new learn situations. To know and reflect the own learn history is the bridge for new good experience with learning new things.	⇒ The life spiral The life spiral is a possibility to reflect the own experience in the learn history. My Example for the life spiral:

<p>Friday, 8th April</p>	<p>⇒ Performance at Bush Hall</p> <p>I had a lot of fun and happy feelings to sing and perform with the group. My scary feelings of the beginning ran off, because it was indeed a new experience, but our coach gave us a feeling of team spirit, backing and "absence of gravity" ☺.</p> <p>Here is a song of the great evening: <i>Lean on Me (Bill Withers)</i></p> <p><i>"Sometimes in our lives, we all have pain, we all have sorrow. But if we are wise, we know that there's always tomorrow. Lean on me, when you're not strong and I'll be your friend. I'll help you carry on, for it won't be long 'til I'm gonna need somebody to lean on. Please swallow your pride, if I have things you need to borrow. For no one can fill those of your needs that you won't let show. You just call on me brother when you need a hand. We all need somebody to lean on. I just might have a problem that you'll understand. We all need somebody to lean on. Lean on me when you're not strong, and I'll be your friend. I'll help you carry on, for it won't be long 'til I'm gonna' need somebody to lean on. You just call on me brother when you need a hand. We all need somebody to lean on. I just might have a problem that you'll understand. We all need somebody to lean on. If there is a load you have to bear that you can't carry. I'm right up the road, I'll share your load if you just call me. Call me (if you need a friend) Call me " (REPEAT AND FADE)</i></p>
